ABOUT THE TUTOR

📅 Mon, Wed, Fri - 4-6pm

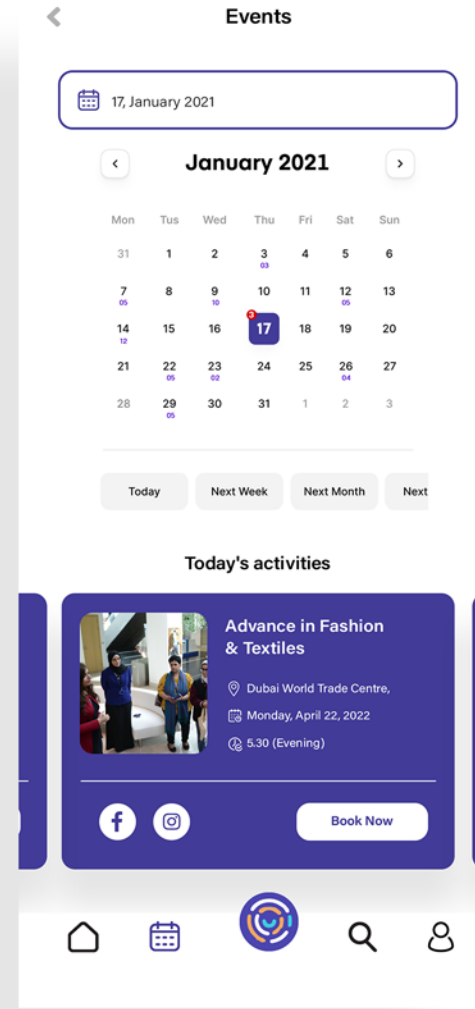

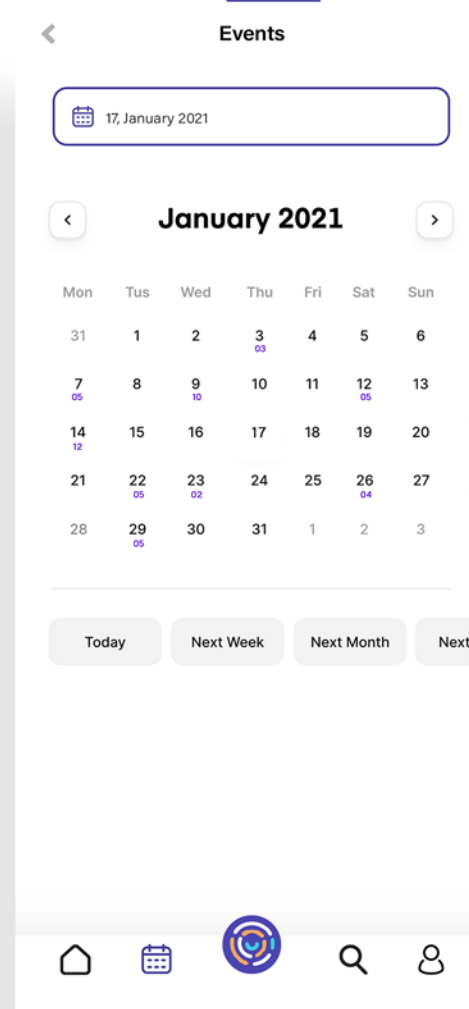

BOOK COURSE

Where one can find their favorite class masters details and other links¹⁴ associated with the class master.

Profile & User Screen

1. User can check out their saved or purchased class timings.
2. Edit their profile
3. Toggle with their app settings
4. Call or text the app administration in case of any help
5. Log Out

Events & Directory

1. Events that are happening around a defined city can be put up for the users only to redirect them to a certain 3rd party booking page.

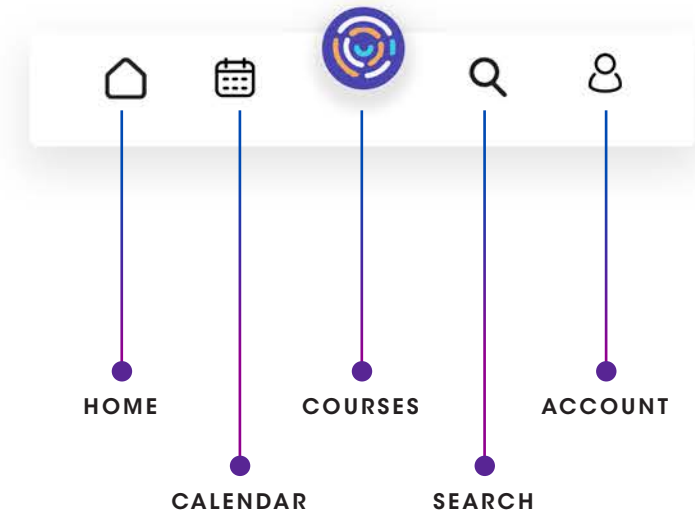

2. Directory is for users actively looking for other businesses in a certain demographic.

The image shows a mobile app interface for the 'Ask Us' feature. At the top, there's a back arrow and the title 'Ask Us'. Below the title is a speech bubble icon with a question mark. The form includes a 'COURSE AREA' dropdown menu set to 'Psychology', an 'AVAILABLE TIME' dropdown menu set to '1 PM to 3 PM', a 'Name' input field, a 'Mobile Number' input field, and a 'Describe More..' text area. A blue 'Submit' button is at the bottom of the form. The bottom navigation bar of the app is visible, showing icons for Home, Calendar, Courses (highlighted), Search, and Account.

Blog & Enquiry

1. App administration can write blogs on various topics and can post it on the app for the users to read and comment.
2. Ask is a feature for business owners to ask or list down queries in relation to business for support or help.
